

Important Facts About the Acquisition

About Yodlee

- Yodlee was founded in 1999 and is headquartered in Redwood City, CA with offices in Bangalore, India; Brisbane, Australia; and London, UK
- They provide broad financial data aggregation capabilities (checking, savings, loans, credit cards, retirement, investments and taxes) as part of a suite of financial technology solutions they offer primarily to financial services companies (banks, insurance companies, brokerages, and wealth managers)

Integration Benefits

- This acquisition will not be disruptive to the services we provide you today. This is what we call a strategic transaction which means there will not be a large conversion required to integrate the business.
- We plan to start introducing the best of Yodlee's aggregation capabilities as early as our December release.
- Yodlee's ability to bring financial data together in unique ways will help you and your advisors provide a uniquely holistic view of an individual's financial profile that extends financial planning capabilities.

Timing of New Services and Pricing

- We are currently working to update our product road map to reflect the integration of Yodlee's capabilities and expect to share the timing and any pricing considerations of new features within the next few months.
